

Preserving NATURE

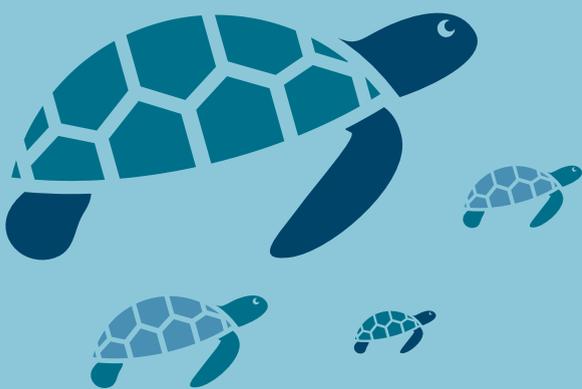

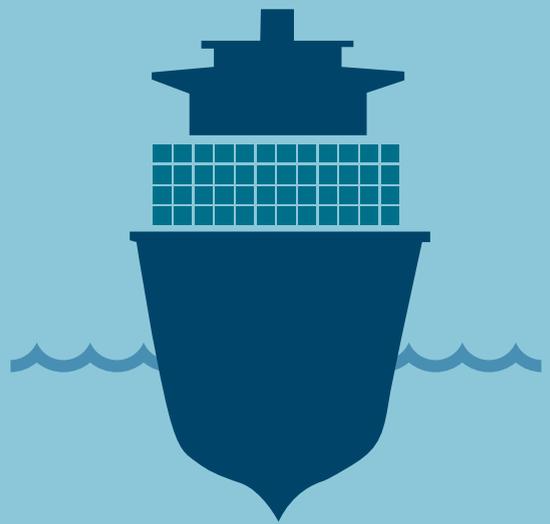

Using less to move more

Georgia Ports Authority is dedicated to meeting the needs of the present without compromising the future. We are committed to conducting port operations in an environmentally sensitive and responsible manner by using natural resources most efficiently and mitigating impacts to preserve our wetlands and protect natural habitats.

9 ACRES
of diverse wetlands
are protected by GPA

**16 SILT
SUSPENSION UNITS**
produce a low-velocity flow,
keeping water moving and
reducing siltation

**212,000 TURTLE
HATCHLINGS**
have been released
thanks to a study
sponsored by GPA

1,000 ACRES
are treated by GPA's
storm water system
